ULTRA CLEAR

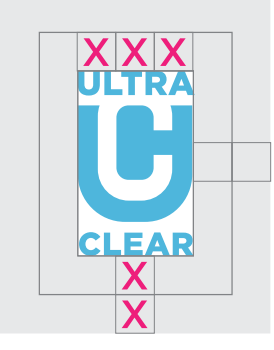

# BRAND GUIDELINE

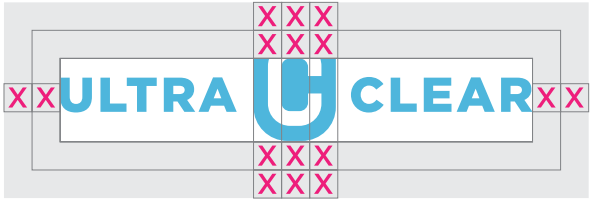

V1 / JAN / 2025

# OUR LOGO

This is our official primary logo. The logo should always be accompanied by words ‘ULTRA’ and’CLEAR’ as illustrated at the top and at the bottom of our emblem.

This is our official secondary logo. The logo should always be accompanied by words ‘ULTRA’ and’CLEAR’ as illustrated on the left and on the right side of our emblem.

## X = 1/3 x Width

Clear space: Always ensure there is a clearspace around the logo of a minimum of 2X where X = the size of 1/3 the width of the logo. This is to maintain the logo’s integrity.

# OUR LOGO

These are the acceptable variations of our logo. Do not attempt to recreate them, simply contact our officials and the correct logos shall be shared with you.

**Primary**

This is the primary version of our logo. It should be used as often as possible and at every opportunity.

It's the preferred version and is to be used on a white background.

**Reverse on sky blue**

This is the reverse version and is to be used on the 'Ultra Clear Sky' background.

**Reverse on deep ocean blue**

This is the second reverse version and is to be used on the 'Ultra Clear Deep Ocean Blue' background.

**Reverse on black**

This black version of our logo is applicable in circumstances where the output cannot be printed or produced in full colour, such as grayscale or black and white applications.

**Secondary Logos**

These are our secondary logos. They should appear on white or very light backgrounds in our signature 'sky blue' or 'deep ocean blue' colours as demonstrated. Additionally, in the unique circumstance that the logo can only be produced in black, a black version is allowed.
